

At New York Digital, we represent New York's strongest portfolio of leading, innovative brands that are consistently recognized for innovative, intelligent lighting, control and building technology solutions that enable an enhanced experience for building occupants and owners.

## LIGHTING

### Aculux

Precision specification downlights, adjustables and multiples.

### American Electric Lighting

Outdoor lighting solutions for utility, government, institutional, commercial and industrial markets.

### American Glass Light

American-made classic and custom fixtures

### Antique Street Lamps

Historical and transitional street lighting poles and luminaires.

### Astro

Quality transitional lighting for bath, bedside, hospitality or general public areas.

### DX Architectural Lighting

Recessed, surface and pendant extruded linear LED solutions.

### Gotham Lighting

Comprehensive offering of specification grade downlighting – all lamping sources

### Healthcare Lighting

Healthcare specific products

### Holophane

Leading provider of highly-engineered lighting for industrial, commercial and outdoor applications.

### Hydrel

Premiere brand for in-grade,

underwater, fountain and façade illumination

### Impact Architectural Lighting

Tailored, transitional, soft industrial, LED architectural pendants, ceiling mounts and sconces.

### Indy

Commercial downlights, cylinders, adjustables, multiples and sign lighters.

### Italamp

Italian crystal and decorative products w/ attention to detail and custom options.

### Juno

Recessed downlights, track, step lights and linear task lighting.

### KLIK USA\*

Small form architectural LED solutions - handrail lighting, linears.

### KW Industries

Quality steel lighting standards.

### LEDCONN\*

LED light panels, light boxes, edge-lit signage and other backlighting solutions.

### Litetronics

LED retrofit kits, lamp replacement.

### Lithonia Lighting

World leader with broadest line of indoor/outdoor lighting.

### Luceplan

Consumer, technical, architectural and contract lighting fixtures.

### Lumafilm (Heilux)

Thin, flexible planer LED light sheet

### Mark Lighting

Architectural linear, recessed and surface mount fluorescent and LED

### Peerless

Leader in lighting technology offering indirect, direct and wallwashing systems

### Rebelle Lighting\*

A family of luminaires to complement the architecture of a project carried from exterior to interior

### Sigtex

Architectural quality emergency lighting systems

### SLAMP:

Original, exclusive objects imbued with DNA comprised of experimentation, new materials, futuristic engineering, vision, and instinct.

### Solas Ray Lighting\*

Commercial, industrial, and hazardous location LED lighting.

### Winona Lighting

Custom, decorative, asymmetric, landscape, color-changing, and commercial LED luminaires.

## CONTROLS

### Distech Controls

Energy management and building automation solutions for HVAC, lighting, shades and access control.

### DTL

Outdoor photocontrols for roadway, area, flood, security and residential applications

### Fresco

High-performance lighting controls for architectural and dynamic lighting environments

### nLight

Plug-and-play controls for stand-alone and networked digital applications

### Pathway

Networked data communications and interface equipment for architectural and entertainment lighting control applications.

### ROAM

Wireless network control technology for large scale site lighting applications

### Sensorswitch

Occupancy sensor, photocell and peripheral lighting control products

### Xpoint Wireless

Flexible lighting control system

## COMPONENTS + ARCHITECTURAL

### Barrisol

Class I PVC, organic and 3D form stretch ceilings used for lighting and acoustical solutions.

### CarlStahl X-LED\*

Addressable media facade products and integrated substructure.

### Crucial Power

Power Inverters in operation throughout the US in a wide range of applications.

### eldoLED

World leader of intelligent drive

solutions for LED based lighting systems

### Power Sentry

Technologically advanced emergency battery backup products for LED & fluorescent fixtures

### RELOC Wiring

Modular wiring

### Sunoptics

Daylighting, electric luminaires and advanced lighting controls combined for complete energy-efficient lighting solutions.

## IoT

### Atrius

Internet of Things (IoT) Connecting systems, technology and people throughout the lifecycle of one's facility and unlock value-added building and business applications. Luminaires and edge devices enabled with Atrius lay the foundation for a scalable IoT infrastructure, allowing one to leverage one's building's sensory network.
