At New York Digital, we represent New York's strongest portfolio of leading brands that are consistently recognized for innovative, intelligent lighting, control and building technology solutions that enable an enhanced experience for building occupants and owners.

LIGHTING

90+ Lighting
90+ CRI, R9>50 quality LED lamps.

Aculux[†]
Precision specification downlights, adjustables and multiples.

American Electric Lighting
Outdoor lighting solutions for utility, government, institutional, commercial and industrial markets.

American Glass Light
American-made classic and custom fixtures.

Astro
Quality transitional lighting for hospitality and residential.

Barovier&Toso*
Since 1295, glass decorative luxury lighting company.

Custom Architectural Lighting Solutions (CALS)
Custom lighting; expert craftsmanship from concept to realization.

Diode LED (Elemental LED)
LED tape; Largest provider of innovative, low-voltage linear solutions.

Eclipse Lighting
Indoor/outdoor, wet location, and vandal resistant LED fixtures.

Gotham Lighting[†]
Comprehensive offering of specification grade downlighting – all lamping sources.

Healthcare Lighting
Healthcare specific products.

Holophane
Leading provider of highly-engineered lighting for industrial, commercial and outdoor applications.

Hydrel[†]
Premium in-grade, underwater, fountain and façade illumination.

Impact Architectural Lighting
Tailored, transitional, soft industrial, LED architectural pendants, ceiling mounts and sconces.

Indy[†]
Commercial downlighting, cylinders, multiples and sign lighters.

Italamp
Italian crystal, custom, and decorative luminaires; finely detailed.

Juno
Recessed downlights, track, step lights and linear task lighting.

KLIK USA
Small form architectural LED

solutions - handrail lighting, linears.

KW Industries
Quality steel lighting standards.

LEDCONN
LED light panels, light boxes, edge-lit signage and other backlighting solutions.

Lithonia Lighting
World leader with broadest line of indoor/outdoor lighting.

Luceplan
Consumer, technical, architectural and contract lighting fixtures.

Thin,flexible planer LED light sheet.

Mark Lighting[†]
Architectural linear, recessed, pendant, and surface mount LED options.

Martinelli Luce*
Inspirational, highly functional, and timeless lighting systems.

ModuleX
Modular specification grade, lighting tools with superior optics.

NewStar Lighting*
Healthcare, correctional, high abuse

Peerless[†]
Leader in lighting technology offering indirect, direct and wall-washing.

Rebelle Lighting
A family of luminaires to complement the architecture of a project carried from exterior to interior.

Signtex
Architectural quality emergency lighting systems.

SLAMP:
Original, exclusive objects imbued with DNA comprised of experimentation, new materials, futuristic engineering, vision, and instinct.

Solas Ray Lighting
Commercial, industrial, and hazardous location LED lighting.

Studio Italia Design*
Modern lighting since 1950.

Winona Lighting[†]
Custom, decorative, asymmetric, landscape, color-changing, and commercial LED luminaires.

CONTROLS + IoT

Atrius
Internet of Things (IoT) Connecting systems, technology and people throughout the lifecycle of one's facility and unlock value-added building and business applications. Luminaires and edge devices enabled with Atrius lay the foundation for a scalable IoT infrastructure, allowing one to leverage one's building's sensory network.

Distech Controls
Energy management and building automation solutions for HVAC, lighting, shades and access control.

DTL
Outdoor photocontrols for roadway, area, flood, security and residential applications.

Fresco
High-performance lighting controls for architectural and dynamic lighting environments.

nLight / nLight AIR
Plug-and-play (wireless) controls for standalone and networked digital applications.

ROAM
Wireless network control technology for large scale site lighting applications.

Sensorswitch
Occupancy sensor, photocell and peripheral lighting control products.

Xpoint Wireless
Flexible lighting control system.

COMPONENTS + ARCHITECTURAL

Barrisol
Class I PVC, non-phthalate, organic and 3D form stretch ceilings used for lighting and acoustical solutions.

CarlStahl X-LED
Addressable media facade products and integrated substructure.

Crucial Power
Power Inverters in operation throughout the US in a wide range of applications.

Power Sentry
Technologically advanced emergency battery backup products for LED & fluorescent fixtures.

RELOC Wiring
Modular wiring.

Sunoptics
Daylighting, electric luminaires and advanced lighting controls combined for complete energy-efficient lighting solutions.
